

Dear Community Partner:

Thank you again for supporting Hubbard Hall during our 2016-17 season. We could not do what we do without you.

Our Playbill/Season Brochure will again be our traditionally sized program, 5.5" by 8.5" to help us distribute more of them at every event and performance we offer. It will again contain fun, informative articles about Hubbard Hall and the history of our community, guaranteed to reach a larger audience and be looked at again and again. **This season approximately 8,000 participants have seen the brochure and recognized the generosity of you, our partner, helping your company gain the recognition and business it deserves in our community. This year we will feature more articles about current offerings and other businesses found in and around our region, as well as a village map, making this an invaluable resource guide for residents and visitors alike.**

Benefits this year also include: Free performance tickets, an opportunity for an employee of yours (or for us, if you prefer) to speak at the top of a performance or event about your company's community support, further highlighting of your support in public schools in workshops and at public events. I've attached our ad contract, which shows all the available ad sizes and prices, as well as more information on Hubbard Hall for All and In-School Programming support levels and company benefits. Hubbard Hall is the largest and oldest arts nonprofit in Washington County, having contributed millions of dollars in activity and thousands of jobs for the local economy since 1977.

The Playbill is again being designed by Sara Kelly Graphics. **We can offer ad design for free – let me know if you'd like to take advantage of this.** Even better, if you were in our Playbill last year, we can re-use the same ad design for you if you prefer.

Reservation & Artwork Deadline: May 12, 2017
